FIXED BAR FOR BOOKING

BOOK PAGE

The screenshot shows a booking page for a theme park. At the top, there's a header bar with a logo (a black circle), a search bar labeled 'NAME', and navigation links for 'HOME', 'EVENTS', 'BOOK NOW', and a menu icon. Below the header is a large image of a theme park with palm trees and various rides. A banner at the bottom of the image area says 'CHILDREN UNDER 3 YEARS GO FREE' and 'BOOK EARLY AND SAVE MONEY'. The main content area features three ticket options: 'SINGLE', 'FAMILY', and 'ANNUAL', each with a 'BOOK NOW' button. Red arrows point from the right side to various parts of the page:

- Small/fixed bar with opening time and social media.
- Menu that can show to the user where the information is on the page or goes to the other pages. Ex: Map. ?
- Fixed bar, goes to the second and third pages.
- SLIDE PICTURES OF PREVIOUS EVENTS
- BAR WITH SOME INFORMATION
- BOXES WITH INFORMATION ABOUT THE TICKETS

The screenshot shows a section titled 'BOOK WITH US!' featuring a parking lot image and text encouraging users to book parking, meals, and accommodation. Below this is a section titled 'GO VIP!' showing a ferris wheel and text about booking guided tours and jumping queues. Red arrows point from the right side to these sections:

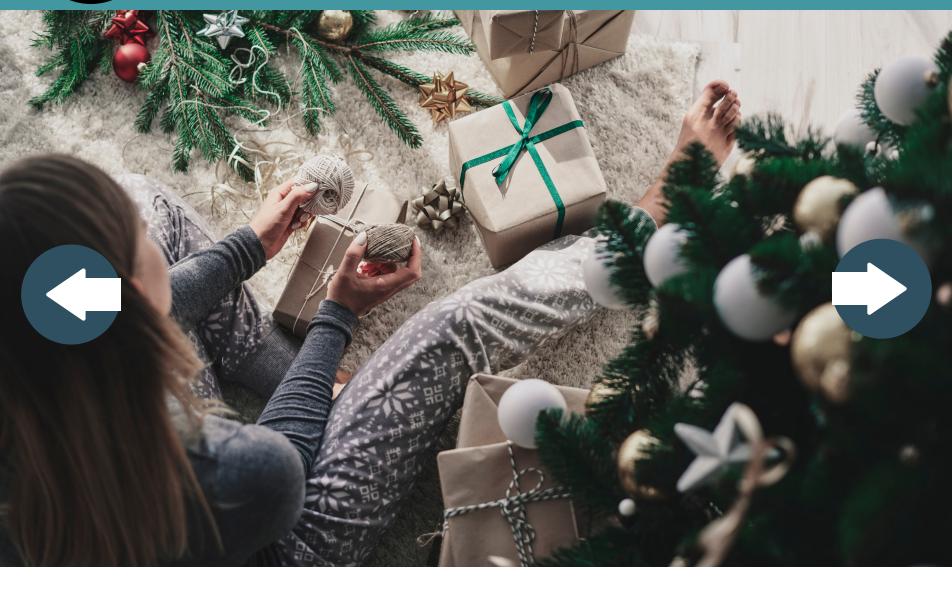

- BOOKING EXTRAS!
